Dear Parents,

1. Hurricane Relief. As you know, during the past week, Hurricane Harvey has devastated millions of people in Houston. Although the hurricane Harvey finally retreated, Houston still needs help. We have learned that there are hundreds of thousands people who are now homeless and lack foods and cloths.

The Greater Memphis Chinese School are taking the initiatives to call the Chinese community to reach our hands to help those needed people in Houston. The Riverdale Youth United will take the lead in organizing this event, and we will put a donation box at the Chinese school on Sunday.

We will start with soliciting donations from our parents and children and send the donation to the American Red Cross as a group.

Please give your helping hands to Houston. This will show our deep caring to the people who suffered a tragic loss due to the Hurricane Harvey.
